

Ogre::Renderable

```
classDiagram
    class OgreRenderable["Ogre::Renderable"]
    class TerrainCell
    TerrainCell --|> OgreRenderable
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin black border containing the text "Ogre::Renderable". Below it is a gray rectangular box with a thick black border containing the text "TerrainCell". A solid blue arrow points vertically from the top center of the "TerrainCell" box to the bottom center of the "Ogre::Renderable" box, indicating that TerrainCell inherits from Ogre::Renderable.
